Morning is when the sun rises.
The sun rises early in the morning.
My day begins early in the morning
when the sun rises.

3

I get up, wash my face,
brush my hair, and get dressed.
I eat my breakfast and drink my juice.
Then I get ready for school.

4

Noon is when the sun is high in the sky.
It is lunchtime at school
It is bright, and it is warm.
I eat lunch, and I play with my friends.

5

Afternoon is when the sun begins to go down.
I come home from school, and I eat a snack.
I play with my friends.

6

Evening is when the sun is lower in the sky.
It is getting darker.
I eat dinner with my family.

7

After dinner, I like to watch television.
I like to read my favorite books.
Then I get ready for bed.

8

Night comes after the sun has set.
 The sky is dark.
 The moon and stars are out.
 I get into bed, and Dad reads me a story.

9

Then I go to sleep in my bed.
 ZZZZZZZZZZZZ.
 Teddy goes to sleep in my bed, too.
