A dog and a cat got into a spat.

Now what do you think the cat thought of that?

3

The dog chased the cat through a field of flowers.
They ran and they ran for hours and hours.

The dog chased the cat through deep, deep mud.
His hair and her fur were covered with crud.

5

The cat leapt over a wall with a dash.
But over the wall came the dog in a flash.
And into the water went the cat with a splash.

6

The cat swam quickly from shore to shore.
The dog swam behind, to chase her some more.

7

The cat crawled out and shook off the water.
The dog kept swimming as fast as an otter.

8

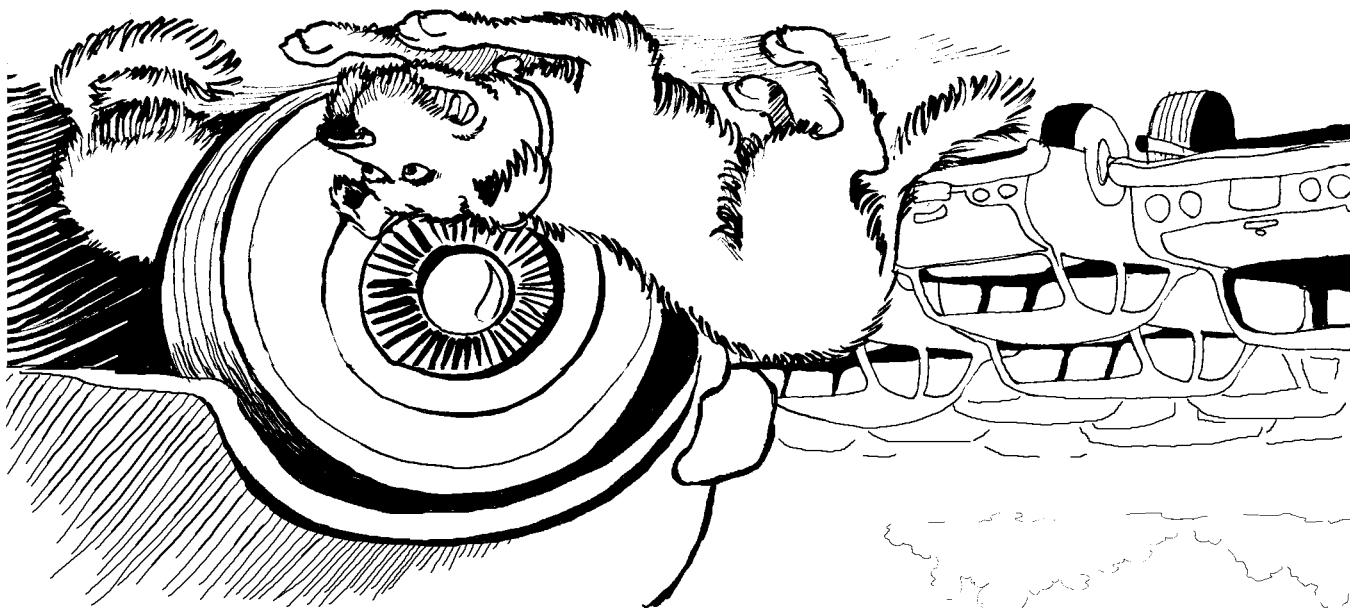

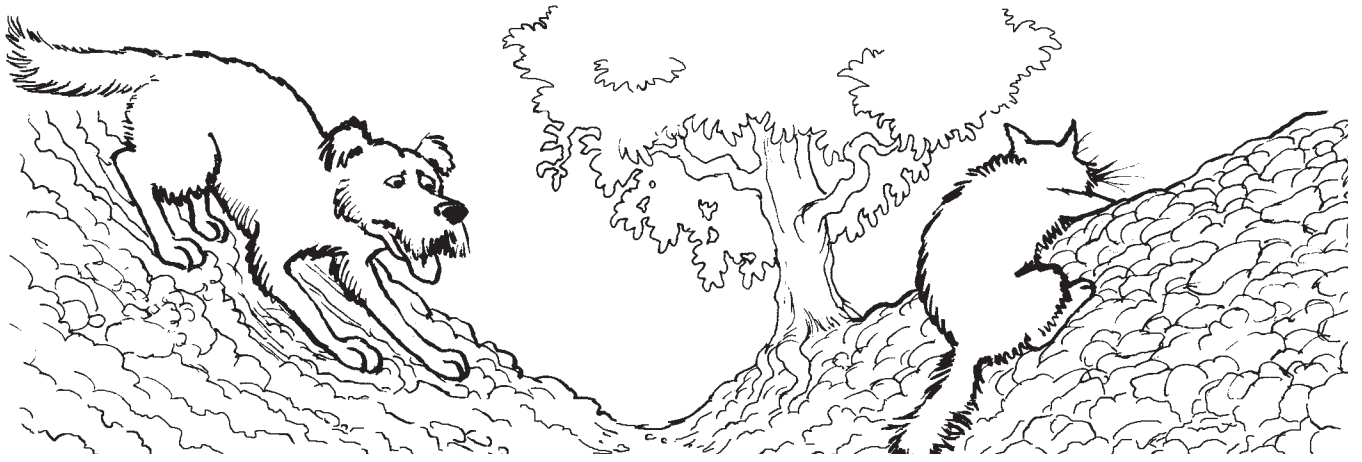

The cat ran through the tall grass of a meadow.
The dog that chased her was one angry fellow.

9

10
She hid under a car with her tail sticking out.
But the dog found her there, after looking about.

From under the car the cat ran like a shot.
She ran into a ditch, hoping not to get caught.
But the dog followed after.
The ditch stopped him not.

11

The chase then finally came to a stop.
The cat climbed a tree straight up to the top.
The dog just sat beneath her and growled.
The cat had escaped.
The dog sat there and howled.
